recommend it."

"I use it in gout, rheumatism, dyspepsia,
diphtheria, and all forms of renal and bladder

freely as the Otterburn."

"Several of my cases of kidney trouble have
improved and rapidly under the use of the

THE RAILROADS.--The next impor-
tant move on the railway checkerboard is
reported to be the absorption of the
Potomac and Reading and the Central
Railroad of New Jersey by the Bal-
timore and Ohio and the Pennsylvania
systems. The plan is said to be for the
Baltimore and Ohio and the Pennsylv-
ania to acquire the properties and di-
vide them among their systems, the
Baltimore and Ohio taking the Phila-
delphia and Reading division, extend-
ing to Philadelphia to Boundbrook,
N. J., and one or two other important
branches and the New Jersey Central
division, extending from Boundbrook
to New York, the Pennsylvania acquir-
ing the remaining divisions.

It was stated in railroad circles in
Baltimore yesterday that the Baltimore
and Ohio Railroad Company would, in
July 1, begin the operation of the Bal-
timore and Ohio Southwestern. The
Baltimore and Ohio Southwestern main-
line extends from Belts, O., to St.
Louis, Mo., a distance of about 921
miles, with branches to Louisville, Ky.,
and Springfield, Ill. The acquisition of
this system will increase the mileage of
the Baltimore and Ohio to nearly 3,000,
and when the Pittsburgh and Western is
acquired the Baltimore and Ohio will
have a total mileage of about 3,350, ex-
tending from Philadelphia to St. Louis,
and reaching the important cities of
Baltimore, Washington, Pittsburgh,
Waco, Cincinnati, Columbus, Chi-
cago, Louisville and Cleveland.

IN A TRANCE SHE WAS CONSCIOUS.--
As she sat in a rocking chair at her
home, in Potomac, Pa., on Tuesday,
Miss Emma Miller, a 17-year-old girl,
lapsed into a state of catalepsy. Her
teeth became clenched, her eyes closed
and her face took on a death-like pal-
lor. Her mother, believing that the
girl was dying, carried her upstairs. A
doctor forced medicine into her mouth,
but the trance was unbroken. Many
friends and neighbors came in to see
Miss Miller and all sorts of advice
was given as to how she could be
awakened. She awoke of her own ac-
count Wednesday morning, after being
in the trance for 24 hours under the spell. She
said that while in the cataleptic condition
she was aware of all that was going on
around her.

IN ALL STAGES OF NASAL CATARRH
there should be cleanliness. As experience
proves, Ely's Cream Balm is a cleanser,
soother and healer of the diseased mem-
brane. It is not drying nor irritating, and does not
produce sneezing. Price 50 cents at drug-
gists, or it will be mailed by Ely Brothers,
56 Warren street, New York. Upon being
placed into the nostrils it spreads over the
membrane and a cure is immediate. It is an
agreeable cure.

A Life and Death Fight.

Mr. W. A. Hines, of Manchester, Ia.,
writing of his almost miraculous escape
from death says: "Exposure after ex-
posure induced serious lung trouble, which
ended in Consumption. I had frequent
hemorrhages and coughed night and
day. All my doctors said I must soon
die. Then I began to use Dr. King's
New Discovery for Consumption, which
completely cured me. I would not be
without it even if it cost \$50.00 a bottle.
Hundreds have used it on my recom-
mendation and all say it never fails to
cure Throat, Chest and Lung trouble."
Regular size 50 cents and \$1.00. Trial

Sons' Drug Store.

Remarkable Cure of Rheumatism.

Kenna, Jackson county, W. Va.
About three years ago my wife had
an attack of rheumatism which con-
fined her to her bed for over a month
and rendered her unable to walk a step
without assistance, her limbs being
swollen to double their normal size.
Mr. S. Maddox insisted on my using
Chamberlain's Pain Balm. I purchased
a fifty-cent bottle and used it according
to the directions and the next morning
she walked to breakfast without as-
sistance in any manner, and she has
not had a similar attack since. A. B.

QUESTION ANSWERED.

Yes, August Flower still has the
largest sale of any medicine in the civil-
ized world. Your mothers and grand-
mothers never thought of using any-
thing else for indigestion or bilious-
ness. Doctors were scarce, and they
seldom heard of Appendicitis, Nervous
Prostration or Heart failure, etc. They
used August Flower to clean out the
system and regulate the action of the
liver, stimulate the nervous and organic
action of the system, and that is all
they took when feeling dull and bad
with headaches and other aches. You
only need a few doses of Green's
August Flower, in liquid form, to make
you satisfied there is nothing serious
the matter with you. For sale by
Ernest L. Allen, Claude M. Lennon,
Warfield & Hall, Charles G. Lennon,
W. F. Creighton & Co., and
Gibson.

Clean Blood means a clean skin.

and that sickly sallow complexion by taking
Cascarets--beauty for ten cents. All drug-
gists, satisfaction guaranteed. Use 25c 30c.

had afflicted him for twenty years. It is also
